Subject: Price Review 2022

Dear Customer,

First of all, thank you for being a loyal Mastelli customer over the years.

As anticipated by our communication of March 2022, we are writing to let you know that, due to the continuous increase in quotations of several materials, energy, gas, and logistics we are going to be raising our prices.

This decision will allow us to better serve you and to face the global current situation without impacting the quality of our customer service and of the final products.

Our prices will be changing for all purchasing orders that will be placed to Mastelli srl starting from 1st October 2022

If you have any further question or concern, please don't hesitate to reach out, our team is more than happy to help you in any way.

Thanks for your understanding, we really appreciate it.

Best Regards,

CEO
Ing. Fabio Fiscoletti
Mastelli Srl
