Bipolar Electrohydraulic Lithotripter

Litotritor electrohidráulico bipolar, Lithotriteur électrohydraulique bipolaire, Bipolarer elektrohydraulischer Lithotripter, Litotritore elettroidraulico bipolare, Bipolaire elektrohydraulische lithotripter, Bipolar 電気水圧衝撃波結石破碎装置, Bipolær elektrohydraulisk lithotripter, Συσκευή διπολικής ηλεκτρούδραυλικής λιθοτριψίας, Litotriturador Eletrohidráulico Bipolar, Bipolär elektrohydraulisk litotripter, Bipoláris elektrohidraulikus kőzúzó, Bipolární elektrohydraulický litotripter, Litotryptor elektrohydrauliczny do litotrypsji dwubiegunowej, Bipolar elektrohydraulisk litotripter, Bipolar Elektrohídrolik Litotripter, Bipolaarinen sähköhydraulinen kivenmurskain, Litotripter electrohydraulic bipolar, Биполярный электрогидравлический литотриптер, Bipolárny elektrohydraulický litotripter

Contents (1) Bipolar Electrohydraulic Lithotripter
(1) Footswitch
(1) Extender Cable
(1) Power Cord

Catalog No.

M005466800

Consult instructions for use.

Do not use if package is damaged.

CE 2797

Rx ONLY

SN 12345ABC

Date of Manufacture 2019-06-18

GTIN 00817183020493

70°C (160°F) Temperature limitation.
(32°F) 0°C

90 % Humidity limitation.
20 %

Recyclable Package

Separate Collection
