

Technical Data Sheet

K68/88/1 - SINGLE Y CONN WITH INSERTION

Identification	Product Code	6661	
	Description	Insertion Tool 7cm	
Dimensions	Overall Length	7cm	
	Overall Width	-	
	Capacity (ml)		
	Part specific dimension	Luer Lock connection	
Composition	main material	polycarbonate	
	other material	Stainless Steel	
Properties	Weight	n/a	
	Test Results	on file	
Sterilization	Sterile/Non-Sterile Part	Non Sterile	
	As part of a CPT pack	ETO Sterilization (ethylene oxide)	
Manufacturing	Company Name	ARGON MEDICAL DEVICES	
Regulatory	Latex Free y/n	Y	
	CE Mark	Product CE Marked as per 93/42/EEC Directive on Medical Devices	
	Other standard	NA	
Storage	Optimal Conditions	Keep in a cool, dry place away from intense sources of heat and direct sunlight.	

Identification Product Code 81400025/DE

Description Navilyst Y Adaptor

Dimensions Overall Length 9cm
Overall Width

Composition main material PC
other material n/a

Properties Weight n/a
Test Results on file

Sterilization Sterile/Non-Sterile Part Non Sterile
As part of a CPT pack) Sterilization (ethylene oxide)

Regulatory Latex Free y/n Y
CE Mark Product CE Marked as per
93/42/EEC Directive on
Medical Devices

Other standard NA
Storage Optimal Conditions Keep in a cool, dry place away from intense sources of
